OBJECTIVE

To use my skills gained in the past few years to work as a motivated professional and make a valuable contribution to the organization. In the process, also get an opportunity to learn something productive.

PROFESSIONAL EXPERIENCE

DSG-US QC Associate – 2022-March to 2023 – May - <http://dsg-us.com/index.html>

Products -

- **eSource** - A BYOD, user-friendly approach for real-time data capture, eliminates SDV, and empowers users to enter data using any device for any decentralized or hybrid clinical trial.
- **eCase** - Link EDC: A time-proven, user-preferred site data entry platform including real-time data export for analytics including SAS.
- **eCaseLink** - CTMS Clinical Trial Management System - CTMS gives you unparalleled control over your study with advanced reporting functionality that provides easy access to metrics, workflow events, action items, documents collected and protocol deviations.
